Alison Roylance Treasurer

Apologies: Mike Lewis, Scott Gibbons

Matters arising

The question of new chairs and tables was rather superseded by the business of sorting out the repairs to the store room. Due to the extent of the reparation needing to be done that was revealed as the work progressed the final cost was £1700 rather than the £1100 originally quoted. Mrs Roylance said that despite this there was still a healthy balance of £2,500 in the Current Account and £6000 in the Business Account.

The weeds outside the Hall will be dealt with when growth commences in the spring

The update to the Village Hall website has been completed.

Mrs Rogers confirmed that she will send a note to Phil Hodder, when circumstances allow, regarding the paperwork for the earth bonding. If he is still feeling unable to tackle this other arrangements will then be made.

Curtains

Mrs Rogers reported that unidentifiable Hall users are continuing to pull on the curtains to try to open them despite the fact that she always, in person, draws their attention to the notice instructing them to use the drawstring. Pete White sorted out the latest jam on the track but a solution needs to be found, which could mean replacing the plastic track with something more robust. Various options were discussed and it was decided that for the time being at least the curtains would be left open.

AOB

Mrs Rogers said that the memorial service for Rachel Peaty will be held at St Barnabas Church, Queen Camel, on Friday 25th January.

Correction: St Mary Magdalen, Sparkford

The next meeting will be held on Thursday 6th June 2019 at 7.30 pm. This will be preceded by the Annual General Meeting at 7.00 pm. There being no further business the meeting was closed.
