

We are delighted to announce that Long Hazel Park have been awarded 4 Pennant Gold from The AA in our most recent Park inspection!

We have been members of The AA's prestigious inspection scheme for many years, beginning our journey as a 3 pennant Park in 2005. Our new groundwork, installation of new fully serviced pitches and shower block upgrade has been influential in our new ranking this year. The 4 Pennant Gold accolade puts us in the category of the best of the best of small caravan and camping parks, based on our facilities, grounds and customer experience.

AA Hotel Services Inspector Chris Pike awarded us a 90% Quality Score during the impromptu inspection. Mr Pike noted

"The purpose of this visit was to verify the standards of maintenance and cleanliness were consistent with the Quality Standards requirements. I met with Alan, the hardworking owner, who kindly showed me around. Extensive work has been carried out in the last 2 years. The facilities were spotless with good detail paid to the cleaning and top grade fixtures and fittings.

In reading the list of the enhancements to the park, I have no hesitation in recommending Long Hazel Park 4 Pennant Gold status with a quality score of 90%"

Alongside our fantastic 4 Pennant Gold achievement, we are also celebrating our success in this year's Bristol, Bath and Somerset Tourism Awards where we have won a Gold Award in the Camping, Glamping and Holiday Park of the Year category, as well as becoming an award-winner in the Theo Paphitis Small Business awards last month.

We are experiencing a wonderfully busy Summer season already, bouncing back from closures last year and are enjoying welcoming guests old and new back to Somerset!

Kind regards,
Alan and Pamela Walton
